The party granting permission (the "Party"), as confirmed by signature below, also agrees to maintain the confidentiality of terms of this Permission agreement, unless an authorized Laureate representative agrees in writing to permit the disclosure of that information.

The Party granting permission warrants, confirms and represents that it is the owner of all right, title and interest in and to the Material, and its copyright or trademark if it exists, or if not the owner then has obtained the rights to distribute the Material under the terms of this Agreement. The Party warrants that it has the legal and full right to enter into this Agreement. To the best of the Party's knowledge, no other authorizations or permissions pertaining to the Material are required from any third party to fulfill the terms of this Agreement. The Party grants permission to Laureate to host an electronic copy of Materials in Laureate's e-reserves management system for viewing and download purposes by students. Laureate's customers may make such local digital copies and/or derivatives of the Materials as are necessary to ensure efficient use by Laureate's customers by appropriate browser or other software, and as required in order to comply with the Americans with Disabilities Act. The grant of rights under this Agreement will not infringe any patent, trademark, copyright, trade secret, or other intellectual property right of any third party ("Third Party Intellectual Property Rights"). In the event that the Party delivers any Material which infringes any Third Party Intellectual Property Rights, the Party will use commercially reasonable efforts to replace, at no cost to Laureate, such affected Material with other materials to be used by Laureate pursuant to the terms of this Agreement. Further, the Party granting permission shall indemnify and hold Laureate harmless from and against any and all claims, suits or proceedings, demands, losses, damages, liabilities and costs and expenses (including, without limitation, reasonable attorneys' fees) arising out of or resulting from the actual or alleged infringement of any patent, trademark, copyright, trade secret or other intellectual property right in connection with any Material furnished to Laureate pursuant to this Agreement, or the use thereof by Laureate. The Party agrees to defend any indemnified party, at Laureate's request, against any such claim, demand or suit.
